

PRESS RELEASE 13-06

Nubian Expands Excelsior Springs and Palmetto

October 9th, 2013 – Nubian Resources Ltd. (NBR:TSX.V) (the “Company”) is pleased to announce that it has entered into an agreement with Global Geoscience Ltd., to include Global’s 60 claims at Excelsior Springs project which are outside of Nubian’s area into Nubian’s claim block. The total number of claims now held at Excelsior is 245 covering a total area of 4,900 acres (1,983 hectares).

The current option agreement with Global will be extended until 31st December 2015. Up to date a total of 10,767 m of drilling has been done at Excelsior (5,638m by Global) having identified numerous targets outside the Buster zone and extending into these additional claims. A continuation of the geophysics programme has been completed and has identified additional targets within this claim area. Further drilling is expected to continue in Spring 2014.

Global has an option to earn an interest of 70% in Excelsior by spending a total of USD \$3 Million in exploration until 31st December 2015.

Furthermore Nubian is pleased to announce, that it has increased its claims at its Palmetto tenements by a further 7 claims bringing the total to 9 claims covering 180 acres (73 hectares).
